Finished Block Size 11" X 11"

## Applique

- ✂ Trace the templates onto the paper side of fusible web, leaving approximately 1/8" between tracings.
- ✂ Cut out each shape just outside the drawn lines.
- ✂ Referring to the fusible web manufacturer's instructions, press the fusible web to the wrong side of the appropriate color wool. All drawings of 'parts' are reversed for your convenience.
- ✂ For heart stripes (red #2) and flower stems (green #1 & #2) cut a strip of fusible to the sizes indicated on the diagram page. Fuse to the appropriate wool. Trim each strip to 1/4" X the length listed. Once you peel the paper backing off you can 'bend' the strips to the desired shapes while pressing in place.
- ✂ Cut out each shape on the drawn lines, then remove the fusible web backing when you're ready to adhere the shapes to the background fabric.
- ✂ Use the diagram page for layout. Please note that the image is not the complete design but enough to help you with placement.
- ✂ Most pieces are stitched down using a buttonhole stitch. The stems are stitched with Xs. The 2 smaller gold stars are stitched down with long straight stitches from the center to the outer points and inside star edge. Bee stripes/antennas, 3 small blue stars and blue flower accents are made with long straight stitches. Star accents are made with French Knots. The bee 'pathes' are made with a running stitch.

Finish the block as you'd like. Some ideas would be to add to other projects offered in the sew along facebook group [Stitching Among Friends](#), frame or layer quilt and bind.
